To Whomsoever It May Concern

This is to certify that 90% of the text books selected for grades 1 to 8th in the academic year 2021-'22 is of NCERT. Malayalam and computer text books are of private publishers. Subject experts made a close evaluation of its content and submitted a report to us. We have also gone through the details of those books and found nothing unconstitutional and objectionable content. This is for the kind information of all.

Yours sincerely
